The costs of any title search and title insurance desired by the Purchaser shall be the sole responsibility of the Purchaser, as set forth in Paragraph 7 hereof.

If Seller is unable to convey title of the quality set forth above on or before the Settlement Date, (as hereinafter defined) Seller shall have the option to extend the Settlement Date for an additional thirty (30) days, or for such longer period as Seller and Purchaser may agree to in writing (the "Title Extension Period"), during which period Seller may seek to cure such title matters. In the event that any such proceeds, consideration, damages, or sums are paid after the date of settlement, Purchaser shall be entitled to receive the same. In the event any repair or improvement to or any inspection or testing of the Premises is desired by the Purchaser or by any lender proposing to provide Purchaser with financing for the purchase of the Premises, the costs of any such repair, improvement, inspection, or testing shall be payable solely by the Purchaser. Seller reserves the right to refuse to permit any such repair, improvement, inspection, or testing or to impose such conditions upon any permitted repair, improvement, inspection, or testing as Seller deems appropriate, including, but not limited to, insurance coverage and indemnification and hold harmless agreements. The Purchaser's Agreement shall not be conditioned upon any such repair, improvement, inspection, or testing, or upon any specific results obtained from such inspection or testing.

11. **REAL ESTATE SELLER DISCLOSURE ACT:** The Purchaser acknowledges that the Real Estate Seller Disclosure Act, Act No. 84 of 1996 (68 P.S. §1021, et seq.) (hereinafter called the Act), requires that the seller of real estate provide certain disclosures regarding any property being offered for sale, on a form required by the Act. The Purchaser further acknowledges that the Act provides for damages in the event such disclosures are not made.

Attached hereto is a Seller's Disclosure Statement. The Purchaser, by the execution of the Purchaser's Agreement attached to these Conditions of Sale, acknowledges that he has a full and complete opportunity to review the Disclosure Statement attached hereto, and acknowledges receipt thereof. The Purchaser hereby waives any further compliance with Act by the Seller. The Purchaser hereby releases, remises and quitclaims unto Seller any and all claims, actions or causes of action under the Act. Seller has not conducted or had conducted any inspection or examination of the Premises, or any fixtures or equipment included with the Premises, prior to the date of this sale. The Disclosure Statement shall not constitute a guaranty or warranty of the condition of the Premises, or any fixtures or equipment included with the Premises. The Disclosure Statement shall not amend or supersede the provisions of Paragraph 11 of these Conditions of Sale.

The Purchaser further acknowledges that neither the attorney for the Seller, nor the auctioneer has made any specific representations regarding the Premises, and that the Purchaser has not relied upon any representations or statements of the auctioneer. The Purchaser releases the auctioneer from any claims, actions or causes of action arising from or due to any defect in the Premises existing on the date of this sale.

12. **LEAD BASED PAINT DISCLOSURE; WAIVER OF RISK ASSESSMENT:** This notice is provided pursuant to the requirements of regulations promulgated by the United States Environmental Protection Agency (hereinafter called EPA), 24 C.F.R. Part 35, and 40 C.F.R. Part 745. The Disclosure required by such regulations is attached hereto and made a part hereof. By the execution of the Purchaser's Agreement attached to these Conditions of Sale, the Purchaser acknowledges that he has reviewed the information as set forth in the Disclosure attached hereto, and certifies that, to the best of his knowledge, the information provided therein is true and accurate. The Purchaser also waives rights under the aforesaid statute to be provided with a pamphlet required by the cited regulations about the dangers of lead poisoning.

The attached Disclosure contains a waiver of risk assessment. As a result of the waiver of risk assessment as set forth in the attached Disclosure, the Purchaser acknowledges that the property is to be sold "AS IS", and shall not be subject to or contingent upon any such assessment or inspection for the presence of lead-based paint or lead-based paint hazards.

13. **RADON DISCLOSURE:** Radon is a radioactive gas produced naturally in the ground by the normal decay of uranium and radium. Uranium and radium are widely distributed in trace amounts in the earth's crust. Descendants of Radon gas are called Radon daughters, or Radon progeny. Several Radon daughters emit alpha radiation, which has high energy but short range. Studies indicate the result of extended exposure to high levels of Radon gas/Radon daughters is an increased risk of lung cancer. Radon gas originates in soil and rocks. It diffuses, as does any gas, and flows along the path of least resistance to the surface of the ground, and then to the atmosphere. Being a gas, Radon can also move into any air space, such as basements, crawl spaces and permeate throughout the home. If a house has a Radon problem, it can usually be cured by increased ventilation and/or preventing Radon entry. The Environmental Protection Agency advises corrective action if the annual average exposure to radon daughters exceeds 0.02 working levels. Further information can be secured from the Department of Environmental Resources Radon Project Office, 1100 Grosser Road, Gilbertsville, Pennsylvania 19525; Call 1-800-23RADON or (215) 369-3590. Purchaser acknowledges that Purchaser has the right to have the buildings inspected to determine if Radon gas and/or daughters are present. Purchaser waives this right and agrees to accept the property "AS IS", with no certification from Seller. Purchaser releases, quit-claims, and forever discharges Seller, their heirs and assigns, from any and all claims, losses, or demands, including personal injuries, and all of the

consequences thereof, whether now known or not, which may arise from the presence of Radon in any building on the Premises. Seller has no knowledge concerning the presence or absence of Radon.

14. **ZONING**: The parties acknowledge that no representation whatsoever is made concerning zoning of the Premises, or the uses of the Premises that may be permitted under local ordinances, and that Purchaser has satisfied himself that the zoning of the Premises is satisfactory for his contemplated use thereof. The Purchaser hereby waives any applicable requirement for Seller to provide a certification of zoning classification prior to settlement pursuant to Act of July 27, 1955, P.L. 288, §3, as amended and reenacted (21 P.S. §613).

15. **FORMAL TENDER**: Formal tender of deed and purchase money are waived.

16. **INCLUSIONS WITH PREMISES**: Included in this sale are all buildings, improvements, rights, privileges, and appurtenances to the Premises.

[Space intentionally left blank]

No items of personal property are included in the sale of the Premises unless otherwise specifically set forth herein. Nothing in the Sellers' Disclosure Statement attached hereto, setting forth the condition of any items of household goods, shall be interpreted as representing that the same shall be included in the sale of the Premises, unless such items are specifically listed in this Paragraph.

17. **EXCLUSIONS FROM PREMISES**:

[Space intentionally left blank]

18. **FIRE INSURANCE**: Seller will continue in force the present insurance coverage upon the Premises until delivery of deed or possession to the Purchaser, whichever event shall first occur, and, in case of loss, will credit on account of the purchase price at settlement any insurance collected or collectible either by Seller or any mortgagee or other loss payee therefor. The Purchaser should inquire after the property is struck off concerning the amount of such insurance.

19. **PURCHASER'S DEFAULT**: In case of noncompliance by the Purchaser with any term of these Conditions, the Seller shall have the option, in addition to all other remedies provided by law, to exercise any one or more of the following remedies:

(a) To retain the Purchaser's down money as liquidated damages, regardless of whether or not, or on what terms, the property is resold; and /or

(b) To resell the Premises at public or private sale, with or without notice to the present Purchaser, and to retain any advance in price, or hold the present Purchaser liable for any loss resulting

from such resale, meanwhile holding the down money paid hereunder as security for payment of such loss.

20. **1031 EXCHANGE** (if applicable): If Seller desires to effectuate a tax-deferred property exchange under Section 1031 of the Internal Revenue Code of 1986 (as amended), Purchaser agrees to cooperate with Seller and sign all documents necessary to do so.

21. **USE AND OCCUPANCY**: Purchaser has sole responsibility to obtain and pay for the cost of any desired or required use and occupancy permit and any inspection or rectification required by a governing authority to occupy or settle on the Premises.

22. **SUMMARY OF CONDITIONS**: The Purchaser acknowledges that these Conditions of Sale were available for inspection by the Purchaser prior to the commencement of bidding and sale of the Premises, that the Purchaser had an opportunity to review the full Conditions of Sale, and that the Purchaser understands the contents thereof and all terms and conditions under which the Premises is being sold, agreeing to be bound by the full terms and conditions as set forth therein. The Purchaser acknowledges that only a summary of the Conditions of Sale was read prior to commencement of bidding on the Premises, and that the Purchaser is not relying upon the public reading of the Conditions of Sale as a complete statement of the terms and conditions for sale of the Premises.

23. **PARTIES BOUND**: These conditions and the Agreement made hereunder shall be binding upon the parties hereto and their respective heirs, successors, personal representatives, executors and assigns.

24. **COUNTERPARTS; ELECTRONIC DELIVERY**: This agreement may be executed in counterparts, each of which will be deemed to be an original, but all of which, taken together, will constitute one and the same agreement. Signatures delivered by email in PDF format or by fax will be effective.

25. **INTENT**: This Agreement represents the whole Agreement between the parties, and any representations concerning the Premises, or otherwise, made prior to the execution of the Purchaser's Agreement, are hereby superseded by this Agreement. No modification of these Conditions of Sale shall be valid unless made in writing, executed with the same degree of formality as these Conditions of Sale and the Purchaser's Agreement attached hereto.
