

CONDITIONS OF SALE

The conditions of the present public sale, held this twentieth day of April, 2017, are as follows:

1. **SELLER**: This sale is held on behalf of Elam Z. King, (hereinafter referred to as SELLER), the present owner of the Premises as hereinafter set forth.

2. **PREMISES**: The property to be sold, hereinafter referred to as the Premises, is more particularly described as follows and on the attached Exhibit "A":

2.8 assessed acres with dwelling, 202 Lower Hopewell Road, Lower Oxford Township, Oxford, Chester County, PA 19363 UPI# 56-7-22

3. **PURCHASE AND DOWN PAYMENT**: The auctioneer, Beiler Campbell Auctioneers, shall take bids upon the Premises and in the event the Premises is placed in the hands of the auctioneer for sale, the highest bidder on the Premises shall be the Purchaser thereof upon the property being struck off to him (all references to Purchaser as contained herein being deemed to refer to all Purchasers, jointly and severally, whether masculine or feminine, although referred to herein in the singular masculine form), and he shall immediately thereafter sign the Purchaser's Agreement on these Conditions of Sale, and pay down the sum of \$15,000.00 as security for performance under the terms of this Agreement. Purchaser acknowledges that the down payment shall be paid to Seller, and shall not be held in escrow, but instead will be paid to the SELLER. **THE SELLER RESERVES THE RIGHT TO REJECT ANY AND ALL BIDS.**

4. **REBIDDING**: If any dispute arises among bidders, the property shall immediately be up for renewal bidding by the auctioneer.

5. **TITLE**: (a) The balance of the purchase money shall be paid at settlement, as hereinafter set forth, upon which payment the Seller shall convey to the Purchaser, by special warranty deed prepared at the Purchaser's expense, good and marketable fee simple title to the Premises insurable without exception at regular rates by a title insurance company of Seller's choice licensed to do business in the Commonwealth of Pennsylvania, free and clear of liens and encumbrances except as noted in these conditions, but subject to existing wall rights, easements, building or use restrictions, zoning or land subdivision regulations, encroachments of cornices, trim, and spouting over property boundaries, or encroachments of any kind within the legal width of public highways, and subject to all easements, encumbrances, or encroachments which would be apparent upon reasonable physical inspection of the Premises. This Paragraph 5 only sets forth the quality of title to be conveyed by the Seller to the Purchaser. Nothing herein shall be construed as obligating the Seller to provide any title search, or title insurance, at the Seller's expense. The costs of any title search and title insurance desired by the Purchaser shall be the sole responsibility of the Purchaser, as set forth in Paragraph 7 hereof.

If Seller is unable to convey title of the quality set forth above on or before the Settlement Date, (as hereinafter defined) Seller shall have the option to extend the Settlement Date for an additional thirty (30) days, or for such longer period as Seller and Purchaser may agree to in writing (the "Title Extension Period"), during which period Seller may seek to cure such title matters. If Seller declines to extend the Settlement Date or is unable to cure the title matters during any Title Extension Period, Purchaser may elect either to (1) take such title as Seller can give or (2) terminate this Agreement. If Purchaser elects to terminate this Agreement as provided above, Seller will return to Purchaser all payments made to Seller on account of the Purchase Price and reimburse Purchaser for all costs for searching title, appraisals, inspections, and preparation of the deed, mortgage, and other settlement papers. This Agreement and all obligations hereunder will terminate upon Seller's return and payment of the above amounts.

6. **SETTLEMENT**: Settlement shall be held at the office of Byler, Goodley & Winkle, P.C., 7 Center Street, Intercourse, PA 17534, or at such other place as Purchaser may elect, on or before June 16, 2017, which time shall be of the essence of this Agreement. Possession shall be given to Purchaser at settlement.

7. **COSTS**:

(a) Acknowledgments to deeds shall be paid by Seller.

(b) All required state and local realty transfer taxes shall be paid by Purchaser.

(c) Real estate taxes upon the Premises shall be apportioned to the date of settlement or prior delivery of possession on a fiscal year basis.

(d) Water and sewer rent, if any, shall be paid by Seller on date of settlement or prior delivery of possession.

(e) Legally adequate description and preparing, obtaining, and/or recording releases or other documents or surveys reasonably required in order to make Seller's title to the Premises insurable at regular rates by a title insurance company of Seller's choice licensed to do business in the Commonwealth of Pennsylvania, shall be provided and/or paid for by Seller.

(f) The cost of any title search at regular rates, title insurance, certification of title, examination of title, and title company services, shall be paid by the Purchaser. Preparation of other documents, including, but not limited to, deed, mortgage, and bill of sale for personal property, if any, and all fees incurred at settlement, including attorney fees, tax certification fees, disbursement fees, recording fees, or settlement fees, whether purported to be billed against Purchaser or Seller, shall be paid by Purchaser unless expressly contracted for in writing by Seller. Any disbursement or similar fees purported to be charged against Seller by any title company or attorney holding settlement for the Premises for services which Seller has not specifically engaged in writing shall be paid by Purchaser.

8. **SURVEY**: Any survey, if desired or required by Purchaser, other than a survey required to provide Seller with an adequate legal description, shall be made at Purchaser's expense.

9. **EMINENT DOMAIN AND EASEMENTS**: The Seller represents that there are no pending and unsettled eminent domain proceedings, no appropriations by the filing of the State Highway plans in the Recorder's Office, and no uncomplained-with orders from any governmental authority to do work or correct conditions affecting the Premises of which the Seller has knowledge; that no part of the property, except any part within utility reserve strips in developments or within legal limits of highways, is, or at settlement will be, subject to any easement for underground electric or telephone cable or sewer, gas, or water pipe serving other than this property, any petroleum products pipeline or public storm sewer, or any other easement, except such easements as may appear of record, such easements as may be disclosed by a reasonable inspection of the Premises, or which are noted in these Conditions. Any proceeding for condemnation or by eminent domain instituted against the Premises after the date hereof shall in no way affect Purchaser's obligations to purchase the Premises; provided that Purchaser shall receive credit for any proceeds, consideration, damages, or sums paid by any condemning authority as a result of such action if the same is paid prior to settlement. In the event that any such proceeds, consideration, damages, or sums are paid after the date of settlement, Purchaser shall be entitled to receive the same. Seller shall be under no obligation to defend against or appear in any such action, provided that Seller provides Purchaser with notice of the institution of such action no later than 15 days after Seller's receipt of notice thereof, and, in such event, Seller shall cooperate in Purchaser's defense of or appearance in such action, at Purchaser's expense.

10. **CONDITION OF PROPERTY AND FIXTURES**: At settlement, the property and all its appurtenances and fixtures shall be in substantially the same condition as at present, except for ordinary reasonable wear and tear, damage of any kind which full or partial recovery may be had under the Seller's or Purchaser's insurance, damage which occurs after possession has been given to the Purchaser, damages arising from any condition of the Premises on the date of the execution hereof, or any taking by eminent domain.

The Seller's Disclosure Statement attached hereto notwithstanding, by execution of the Purchaser's Agreement, the Purchaser acknowledges that he has had a full and complete opportunity to inspect the Premises. *The Premises is being sold unto Purchaser "AS IS", with no representation, guarantee or warranty regarding the condition of the Premises or any improvements or structure erected on the Premises, including, but not limited to, its structural integrity, roof, appliances, electrical system, heating system, plumbing, water system, sewage disposal system, or any portion thereof.* The Lead-Based Paint Disclosure attached hereto notwithstanding, no representation is made or warranty given regarding the presence or absence of any hazardous or toxic substance, materials or wastes, or that the Premises is in compliance with any federal, state or local environmental laws or regulations. In the event any repair or improvement to or any inspection or testing of the Premises is desired by the Purchaser or by any lender proposing to provide Purchaser with financing for the purchase of the Premises, the costs of any such repair, improvement, inspection, or testing shall be payable solely by the Purchaser. Seller reserves the right to refuse to permit any such repair, improvement, inspection, or testing

or to impose such conditions upon any permitted repair, improvement, inspection, or testing as Seller deems appropriate, including, but not limited to, insurance coverage and indemnification and hold harmless agreements. The Purchaser's Agreement shall not be conditioned upon any such repair, improvement, inspection, or testing, or upon any specific results obtained from such inspection or testing.

11. **REAL ESTATE SELLER DISCLOSURE ACT:** The Purchaser acknowledges that the Real Estate Seller Disclosure Act, Act No. 84 of 1996 (68 P.S. §1021, et seq.) (hereinafter called the Act), requires that the seller of real estate provide certain disclosures regarding any property being offered for sale, on a form required by the Act. The Purchaser further acknowledges that the Act provides for damages in the event such disclosures are not made.

Attached hereto is a Seller's Disclosure Statement. The Purchaser, by the execution of the Purchaser's Agreement attached to these Conditions of Sale, acknowledges that he has a full and complete opportunity to review the Disclosure Statement attached hereto, and acknowledges receipt thereof. The Purchaser hereby waives any further compliance with Act by the Seller. The Purchaser hereby releases, remises and quitclaims unto Seller any and all claims, actions or causes of action under the Act. Seller has not conducted or had conducted any inspection or examination of the Premises, or any fixtures or equipment included with the Premises, prior to the date of this sale. The Disclosure Statement shall not constitute a guaranty or warranty of the condition of the Premises, or any fixtures or equipment included with the Premises. The Disclosure Statement shall not amend or supersede the provisions of Paragraph 11 of these Conditions of Sale.

The Purchaser further acknowledges that neither the attorney for the Seller, nor the auctioneer has made any specific representations regarding the Premises, and that the Purchaser has not relied upon any representations or statements of the auctioneer. The Purchaser releases the auctioneer from any claims, actions or causes of action arising from or due to any defect in the Premises existing on the date of this sale.

12. **LEAD BASED PAINT DISCLOSURE; WAIVER OF RISK ASSESSMENT:** This notice is provided pursuant to the requirements of regulations promulgated by the United States Environmental Protection Agency (hereinafter called EPA), 24 C.F.R. Part 35, and 40 C.F.R. Part 745. The Disclosure required by such regulations is attached hereto and made a part hereof. By the execution of the Purchaser's Agreement attached to these Conditions of Sale, the Purchaser acknowledges that he has reviewed the information as set forth in the Disclosure attached hereto, and certifies that, to the best of his knowledge, the information provided therein is true and accurate. The Purchaser also waives rights under the aforesaid statute to be provided with a pamphlet required by the cited regulations about the dangers of lead poisoning.

The attached Disclosure contains a waiver of risk assessment. As a result of the waiver of risk assessment as set forth in the attached Disclosure, the Purchaser acknowledges that the property is to be sold "AS IS", and shall not be subject to or contingent upon any such assessment or inspection for the presence of lead-based paint or lead-based paint hazards.

13. **RADON DISCLOSURE:** Radon is a radioactive gas produced naturally in the ground by the normal decay of uranium and radium. Uranium and radium are widely distributed in trace amounts in the earth's crust. Descendants of Radon gas are called Radon daughters, or Radon progeny. Several Radon daughters emit alpha radiation, which has high energy but short range. Studies indicate the result of extended exposure to high levels of Radon gas/Radon daughters is an increased risk of lung cancer. Radon gas originates in soil and rocks. It diffuses, as does any gas, and flows along the path of least resistance to the surface of the ground, and then to the atmosphere. Being a gas, Radon can also move into any air space, such as basements, crawl spaces and permeate throughout the home. If a house has a Radon problem, it can usually be cured by increased ventilation and/or preventing Radon entry. The Environmental Protection Agency advises corrective action if the annual average exposure to radon daughters exceeds 0.02 working levels. Further information can be secured from the Department of Environmental Resources Radon Project Office, 1100 Grosser Road, Gilbertsville, Pennsylvania 19525; Call 1-800-23RADON or (215) 369-3590. Purchaser acknowledges that Purchaser has the right to have the buildings inspected to determine if Radon gas and/or daughters are present. Purchaser waives this right and agrees to accept the property "AS IS", with no certification from Seller. Purchaser releases, quit-claims, and forever discharges Seller, their heirs and assigns, from any and all claims, losses, or demands, including personal injuries, and all of the consequences thereof, whether now known or not, which may arise from the presence of Radon in any building on the Premises. Seller has no knowledge concerning the presence or absence of Radon.

14. **ZONING:** The parties acknowledge that no representation whatsoever is made concerning zoning of the Premises, or the uses of the Premises that may be permitted under local ordinances, and that Purchaser has satisfied himself that the zoning of the Premises is satisfactory for his contemplated use thereof. The Purchaser hereby waives any applicable requirement for Seller to provide a certification of zoning classification prior to settlement pursuant to Act of July 27, 1955, P.L. 288, §3, as amended and reenacted (21 P.S. §613).

15. **FORMAL TENDER:** Formal tender of deed and purchase money are waived.

16. **INCLUSIONS WITH PREMISES:** Included in this sale are all buildings, improvements, rights, privileges, and appurtenances to the Premises.

No items of personal property are included in the sale of the Premises unless otherwise specifically set forth herein. Nothing in the Sellers' Disclosure Statement attached hereto, setting forth the condition of any items of household goods, shall be interpreted as representing that the same shall be included in the sale of the Premises, unless such items are specifically listed in this Paragraph.

17. **EXCLUSIONS FROM PREMISES:**

18. **FIRE INSURANCE**: Seller will continue in force the present insurance coverage upon the Premises until delivery of deed or possession to the Purchaser, whichever event shall first occur, and, in case of loss, will credit on account of the purchase price at settlement any insurance collected or collectible either by Seller or any mortgagee or other loss payee therefor. The Purchaser should inquire after the property is struck off concerning the amount of such insurance.

19. **PURCHASER'S DEFAULT**: In case of noncompliance by the Purchaser with any term of these Conditions, the Seller shall have the option, in addition to all other remedies provided by law, to exercise any one or more of the following remedies:

(a) To retain the Purchaser's down money as liquidated damages, regardless of whether or not, or on what terms, the property is resold; and /or

(b) To resell the Premises at public or private sale, with or without notice to the present Purchaser, and to retain any advance in price, or hold the present Purchaser liable for any loss resulting from such resale, meanwhile holding the down money paid hereunder as security for payment of such loss.

20. **1031 EXCHANGE** (if applicable): If Seller desires to effectuate a tax-deferred property exchange under Section 1031 of the Internal Revenue Code of 1986 (as amended), Buyer agrees to cooperate with Seller and sign all documents necessary to do so.

21. **USE AND OCCUPANCY**: Purchaser has sole responsibility to obtain and pay for the costs of any desired or required use and occupancy permit and any inspection or rectification required by a governing authority to occupy or settle on the Premises.

22. **SUMMARY OF CONDITIONS**: The Purchaser acknowledges that these Conditions of Sale were available for inspection by the Purchaser prior to the commencement of bidding and sale of the Premises, that the Purchaser had an opportunity to review the full Conditions of Sale, and that the Purchaser understands the contents thereof and all terms and conditions under which the Premises is being sold, agreeing to be bound by the full terms and conditions as set forth therein. The Purchaser acknowledges that only a summary of the Conditions of Sale was read prior to commencement of bidding on the Premises, and that the Purchaser is not relying upon the public reading of the Conditions of Sale as a complete statement of the terms and conditions for sale of the Premises.

23. **PARTIES BOUND**: These conditions and the Agreement made hereunder shall be binding upon the parties hereto and their respective heirs, successors, personal representatives, executors and assigns.

24. **INTENT**: This Agreement represents the whole Agreement between the parties, and any representations concerning the Premises, or otherwise, made prior to the execution of the Purchaser's Agreement, are hereby superseded by this Agreement. No modification of these

Conditions of Sale shall be valid unless made in writing, executed with the same degree of formality as these Conditions of Sale and the Purchaser's Agreement attached hereto.

IN WITNESS WHEREOF, the Seller has executed these Conditions the day and year first above written.

SELLER'S PROPERTY DISCLOSURE STATEMENT**SPD**

This form recommended and approved for, but not restricted to use by, the members of the Pennsylvania Association of Realtors® (PAR).

PROPERTY199 FAIRVIEW ROAD EXT. RD A 19363**SELLER**Elam Z. King**INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW**

Generally speaking, the Real Estate Seller Disclosure Law (68 P.S. §7301 et seq.) requires that before an agreement of sale is signed, the seller in a residential real estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the law. A residential real estate transfer is defined as a sale, exchange, installment sales contract, lease with an option to buy, grant or other transfer of an interest in real property where **NOT LESS THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING UNITS** are involved. The Law defines a number of exceptions where the disclosures do not have to be made:

1. Transfers that are the result of a court order.
2. Transfers to a mortgage lender that result from a buyer's default and subsequent foreclosure sales that result from default.
3. Transfers from a co-owner to one or more other co-owners.
4. Transfers made to a spouse or direct descendant.
5. Transfers between spouses that result from divorce, legal separation, or property settlement.
6. Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of liquidation.
7. Transfer of a property to be demolished or converted to non-residential use.
8. Transfer of unimproved real property.
9. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust.
10. Transfers of new construction that has never been occupied when:
 - a. The buyer has received a one-year warranty covering the construction;
 - b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model building code; and
 - c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

In addition to these exceptions, disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale of condominium and cooperative interests.

While the Law requires certain disclosures, this statement includes disclosures beyond the basic requirements of the Law in an effort to assist sellers in complying with seller disclosure requirements and to assist buyers in evaluating the property being considered. Sellers who wish to see or use the basic disclosure form can find the form on the Web site of the Pennsylvania State Real Estate Commission.

This Statement discloses Seller's knowledge of the condition of the property as of the date signed by Seller and **is not a substitute for any inspections or warranties** that Buyer may wish to obtain. This Statement is not a warranty of any kind by Seller or a warranty or representation by any listing real estate broker, any selling real estate broker, or their licensees. Buyer is encouraged to address concerns about the condition of the property that may not be included in this Statement. This Statement does not relieve Seller of the obligation to disclose a **material defect** that may not be addressed on this form.

A **material defect** is a problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is at or beyond the end of the normal useful life of such a structural element, system or subsystem is not by itself a material defect.

Check yes, no, unknown (unk) or not applicable (N/A) for each question. Be sure to check N/A when a question does not apply to the property. Check unknown when the question does apply to the property but you are not sure of the answer.

Note to Buyer: The PA Construction Code Act, 35 P.S. §7210 et seq. (effective 2004), and local codes establish standards for building and altering properties. Buyers should check with the municipality to determine if permits and/or approvals were necessary for disclosed work and if so, whether they were obtained. Where required permits were not obtained, the municipality might require the current owner to upgrade or remove changed made by the prior owners. Buyers can have the property inspected by an expert in codes compliance to determine if issues exist. Expanded title insurance policies may be available for Buyers to cover the risk of work done to the property by previous owners without a permit or approval.

Note to Buyer: According to the PA Stormwater Management Act, each municipality must enact a Storm Water Management Plan for drainage control and flood reduction. The municipality where the property is located may impose restrictions on impervious or semi-pervious surfaces added to the property. Buyers should contact the local office charged with overseeing the Stormwater Management Plan to determine if the prior addition of impervious or semi-pervious areas, such as walkways, decks, and swimming pools, might affect your ability to make future changes.
