

CONDITIONS OF SALE - LOT

The terms and conditions of the present public sale, held May 15, 2025 (herein "Public Sale Date"), are as follows:

1. **SELLER**: This sale is held on behalf of Stanley H. Reiff and Clara E. Reiff, husband and wife, of 257 Conestoga Creek Road, East Earl, Pennsylvania 17519 (herein the "Seller") the present owner of the Premises as hereinafter set forth.

2. **PREMISES**: The property to be sold (herein the "Premises") is commonly known as 114 Center Avenue, Terre Hill, Terre Hill Borough Township, Lancaster County, Pennsylvania and is more particularly described in the Deed marked Exhibit "A" attached hereto, made a part hereof, and incorporated herein by reference.

3. **PURCHASE AND DOWN PAYMENT**: The auctioneer, Beiler-Campbell Auction Services, shall take bids upon the Premises, and, in the event that the Premises is placed in the hands of the auctioneer for sale, the highest bidder on the Premises shall be the Purchaser of the Premises at the highest bid (herein "Purchase Price"). The highest bidder (herein "Purchaser") shall immediately thereafter execute and deliver to Seller the Purchaser's Agreement attached to these Conditions of Sale and shall pay down the sum of Ten Thousand (\$10,000.00) Dollars as a down payment toward the Purchase Price as security for the performance of the terms and conditions of these Conditions of Sale and Purchaser's Agreement. Purchaser acknowledges that the down payment shall be paid to the Seller and shall not be held in escrow. Checks for the down payment will be deposited the next business day. Post-dated or undated checks shall be conclusively deemed to be dated on the date of this sale. The Purchaser further acknowledges that the Premises is not being sold subject to the ability of the Purchaser to obtain any financing for the purchase thereof.

4. **REBIDDING**: If the auctioneer believes that any reasonable disputes arise among bidders, the Premises may immediately be put up for renewal bidding by the auctioneer.

5. **TITLE**: The balance of the purchase money shall be paid at settlement, as hereinafter set forth, upon which payment Seller shall convey to Purchaser, by special warranty deed prepared at Purchaser's expense, good and marketable fee simple title to the Premises insurable without exception at regular rates by a title insurance company of Buyer's choice licensed to do business in the Commonwealth of Pennsylvania, free and clear of liens and encumbrances except as noted in these conditions, but subject to existing wall rights, easements, building or use restrictions, zoning or land subdivision regulations, encroachments of cornices, trim, and spouting over property boundaries, or encroachments of any kind within the legal width of public highways, and subject to all easements, encumbrances, or encroachments which would be apparent upon reasonable physical inspection of the Premises. Seller makes no representations as to the validity, existence, or condition of any vehicle title for any mobile or modular home situate on the Premises. Buyer shall bear the sole responsibility of conveying any mobile or modular home title at settlement, and/or the cancellation of same. This Paragraph 5 only sets forth the quality of title to be conveyed by Seller to Purchaser. Nothing herein shall be construed as obligating Seller to provide any title search, or title insurance, at Seller's expense. The costs of any title search and title insurance desired by Purchaser shall be the sole responsibility of Purchaser, as set forth in Paragraph 7 hereof.

If Seller is unable to convey title of the quality set forth above on or before the Settlement Date, (as hereinafter defined) Seller may have the option to extend the Settlement Date, as Seller and Purchaser may agree to in writing (the "Title Extension Period"), during which period Seller may seek to cure such title

matters. If Seller declines to extend the Settlement Date or is unable to cure the title matters during any Title Extension Period, Purchaser may elect either to (1) take such title as Seller can give or (2) terminate this Agreement. If Purchaser elects to terminate this Agreement as provided above, Seller will return to Purchaser all payments made to Seller on account of the Purchase Price and reimburse Purchaser for all costs for searching title, appraisals, inspections, and preparation of the deed, mortgage, and other settlement papers. This Agreement and all obligations hereunder will terminate upon Seller's return and payment of the above amounts.

6. **SETTLEMENT**: Settlement shall be held at the Law Offices of Glick, Goodley, Deibler & Fanning, LLP, 131 West Main Street, New Holland, Pennsylvania 17557, or at such other place as Purchaser may elect in Lancaster County on July 15, 2025 (herein "Settlement Date"), or before if Purchaser and Seller mutually agree, which time shall be of the essence of this Agreement. Possession of the Premises shall be given to Purchaser at settlement. Formal tender of deed and purchase money are waived.

On or before the tenth (10th) day following the Public Sale Date, Purchaser shall engage the services of an attorney and/or title company to prepare all documents to be executed at Settlement and to conduct Settlement.

7. **COSTS**: The costs related to this public sale, and the settlement on the Premises, shall be paid as follows:

(a) Purchaser shall provide and pay:

- (i) All required state and local realty transfer taxes.
- (ii) Any survey, if desired or required by Purchaser, other than a survey required to provide Seller with an adequate legal description.
- (iii) Any and all disbursement fees, escrow fees, service fees, or similar fees or costs, purported to be charged against Seller by any title company or attorney holding settlement for the Premises, unless expressly contracted for in writing by Seller.
- (iv) The cost of any title search at regular rates, title insurance, certification of title, examination of title, and title company or settlement services.
- (v) Preparation of other documents, including, but not limited to, deed, mortgage, and bill of sale for personal property, if any, and all fees incurred at settlement, including attorney fees, tax certification fees, disbursement fees, recording fees, or settlement fees, whether purported to be billed against Purchaser or Seller, unless expressly contracted for in writing by Seller.

(b) Seller shall provide or pay for:

- (i) Acknowledgements to deed.
- (ii) Water and sewer rent, if any, through the earlier of the Settlement Date, or the date of prior delivery of possession to Purchaser.

(iii) A legally adequate description and preparing, obtaining, and/or recording releases or other documents or surveys reasonably required in order to make Seller's title to the Premises insurable at regular rates by a title insurance company of Seller's choice licensed to business in the Commonwealth of Pennsylvania.

(c) Real estate taxes upon the Premises shall be apportioned on a fiscal basis to the earlier of the Settlement Date, or the date of prior delivery of possession to Purchaser. However, if the Premises is subject to any preferential assessment via the Pennsylvania Clean and Green Act or otherwise and Purchaser does not continue such preferential assessment program at settlement or thereafter, Purchaser will be solely responsible for any roll-back taxes, interest, penalties, or other charges that accrue because of such discontinuance, regardless of the reason for the same.

8. **REJECTION OF BIDS**: Seller reserves the right to reject any and all bids. Seller reserves the right to withdraw the Premises from sale, and/or to adjourn the sale to a future date or dates.

9. **EMINENT DOMAIN AND EASEMENTS**: Seller represents that there are no pending and unsettled eminent domain proceedings, no appropriations by the filing of the State Highway plans in the Recorder's Office, and orders that have not been complied with from any governmental authority to do work or correct conditions affecting the Premises of which Seller has knowledge; that no part of the Premises, except any part within utility reserve strips in developments or within legal limits of highways, is, or at settlement will be, subject to any easement for underground electric or telephone cable or sewer, gas, or water pipe serving other than this Premises, any petroleum products pipeline or public storm sewer, or any other easement, except such easements as may appear of record, such easements as may be disclosed by a reasonable inspection of the Premises, or which are noted in these Conditions. Any proceeding for condemnation or by eminent domain instituted against the Premises after the date hereof shall in no way affect Purchaser's obligation to purchase the Premises; provided that Purchaser shall receive credit for any proceeds, consideration, damages, or sums paid by any condemning authority as a result of such action if the same is paid prior to settlement. In the event that any such proceeds, consideration, damages, or sums are paid after the Settlement Date, Purchaser shall be entitled to receive the same. Seller shall be under no obligation to defend against or appear in any such action, provided that Seller provides Purchaser with notice of the institution of such action no later than 15 days after Sellers' receipt of notice thereof, and, in such event, Seller shall cooperate in Purchaser's defense of or appearance in such action, at Purchaser's expense.

10. **RADON DISCLOSURE**: Radon is a radioactive gas produced naturally in the ground by the normal decay of uranium and radium. Uranium and radium are widely distributed in trace amounts in the earth's crust. Descendants of Radon gas are called Radon daughters, or Radon progeny. Several Radon daughters emit alpha radiation, which has high energy but short range. Studies indicate the result of extended exposure to high levels of Radon gas/Radon daughters is an increased risk of lung cancer. Radon gas originates in soil and rocks. It diffuses, as does any gas, and flows along the path of least resistance to the surface of the ground, and then to the atmosphere. Being a gas, Radon can also move into any air space, such as basements, crawl spaces and permeate throughout the home. If a house has a Radon problem, it can usually be cured by increased ventilation and/or preventing Radon entry. The Environmental Protection Agency advises corrective action if the annual average exposure to Radon daughters exceeds 0.02 working levels. Further information can be secured from the Department of Environmental Resources Radon Project Office, Call 1-800-23RADON or (215) 369-3590. Purchaser acknowledges that Purchaser has the right to have the buildings inspected to determine if Radon gas and/or daughters are present. Purchaser waives this right and agrees to accept the Premises AS IS, with no certification from Seller. Purchaser releases, quit claims, and forever discharges Seller, their heirs and assigns, from any and all claims, losses, or demands, including personal injuries, and all of the consequences thereof,

whether now known or not, which may arise from the presence of Radon in any building on the Premises. Seller has no knowledge concerning the presence or absence of Radon.

11. **ZONING**: The parties acknowledge that no representation whatsoever is made concerning zoning of the Premises, or the uses of the Premises that may be permitted under local ordinances, and that Purchaser has satisfied himself that the zoning of the Premises is satisfactory for his contemplated use thereof. Purchaser hereby waives any applicable requirement for Seller to provide a certification of zoning classification prior to settlement pursuant to Disclosure Act of July 27, 1955, P.L. 288, §3, as amended and reenacted (21 P.S. §613). If Purchaser's intended use requires any federal, state, or local permits or inspections, including, but not limited to, use or occupancy permits, Purchaser is responsible for obtaining such permits or inspections at Purchaser's expense.

12. **1031 EXCHANGE**: If Seller desires to effectuate a 1031 tax deferred exchange, Purchaser agrees to cooperate with Seller and sign all necessary documents to do so provided that it does not pose any additional risk or expense to Purchaser.

13. **USE AND OCCUPANCY**: Purchaser is responsible to obtain and pay for the costs of any desired or required use and occupancy permit and any inspections or certifications required by a governing authority to occupy or settle on the Premises.

14. **PURCHASERS' DEFAULT**: In case of noncompliance by Purchaser with any term of these Conditions, Seller has the option, in addition to all other remedies provided by law or at equity, to exercise any one or more of the following remedies:

- (a) To retain Purchaser's down money as liquidated damages, regardless of whether or not, or on what terms, the Premises is retained or resold; or
- (b) To resell the Premises, at public or private sale, with or without notice to Purchaser, and hold Purchaser liable for the actual loss resulting from such resale, including attorneys' fees and costs incurred by Seller as a result of Purchaser's default. Seller may retain the down money paid hereunder as security for payment of such loss.

15. **SUMMARY OF CONDITIONS**: Purchaser acknowledged that these Conditions of Sale were available for inspection by Purchaser prior to the commencement of bidding and sale of the Premises, that Purchaser had an opportunity to review the full Conditions of Sale, and that Purchaser understands the contents thereof and all terms and conditions under which the Premises is being sold, agreeing to be bound by the full terms and conditions as set forth therein. Purchaser acknowledges that only a summary of the Conditions of Sale was read prior to commencement of bidding on the Premises, and that Purchaser is not relying upon the public reading of the Conditions of Sale as a complete statement of the terms and conditions for sale of the Premises.

16. **PARTIES BOUND**: These Conditions of Sale and Purchaser's Agreement made hereunder shall be binding upon the parties hereto and their respective heirs, successors, personal representatives and assigns.

17. **CONSTRUCTION**: All references to the highest bidder, Purchaser or Purchaser contained herein shall be deemed to refer to all Purchasers, jointly and severally, whether referred to in the singular or plural, or masculine or female, form.

18. **ASSIGNMENT**: Purchaser may not assign these Conditions of Sale, in whole or in part, without first obtaining the written approval of Seller.

19. **INTENT**: This Agreement represents the whole Agreement between the parties, and any representations concerning the Premises, or otherwise, made prior to the execution of Purchaser's Agreement, are hereby superseded by this Agreement.

20. **AMENDMENT**: No modification of these Conditions of Sale shall be valid unless made in writing, executed with the same degree of formality as these Conditions of Sale and Purchaser's Agreement attached hereto.

21. **EFFECT OF WAIVER OR CONSENT**: A consent or waiver by Seller, express or implied, to or of any breach or default by Purchaser in the performance of these Conditions of Sale is not a consent or waiver to or of any other breach or default. Failure on the part of Seller to complain of any act of Purchaser or to declare Purchaser in default of these Conditions of Sale, irrespective of how long that failure continues, does not constitute a waiver by Seller of Seller's rights with respect to that default until the applicable statute-of-limitations period has run.

22. **SEVERABILITY**: If any provision of these Conditions of Sale or the application thereof to any person, entity or circumstance is held invalid or unenforceable to any extent, the remainder of these Conditions of Sale and the application of that provision to other persons, entities or circumstances are not affected thereby. In such event, the invalid or unenforceable provision will be enforced to the greatest extent permitted by law.

23. **EXECUTION IN COUNTERPART OR BY FACSIMILE OR ELECTRONICALLY**:
This Agreement may be executed by facsimile or electronically and/or in counterparts, each of which shall be deemed an original Agreement and when combined shall constitute one Agreement.

IN WITNESS WHEREOF, Seller has executed these Conditions of Sale, intending to be legally bound hereby, on the day and year first above written.

1. **SELLER**: This sale is held on behalf of Stanley H. Reiff and Clara E. Reiff, husband and wife, of 257 Conestoga Creek Road, East Earl, Pennsylvania 17519 (herein the "Seller") the present owner of the Premises as hereinafter set forth.

2. **PREMISES**: The property to be sold (herein the "Premises") is commonly known as 116 Center Avenue, Terre Hill, Terre Hill Borough Township, Lancaster County, Pennsylvania and is more particularly described in the Deed marked Exhibit "A" attached hereto, made a part hereof, and incorporated herein by reference.

3. **PURCHASE AND DOWN PAYMENT**: The auctioneer, Beiler-Campbell Auction Services, shall take bids upon the Premises, and, in the event that the Premises is placed in the hands of the auctioneer for sale, the highest bidder on the Premises shall be the Purchaser of the Premises at the highest bid (herein "Purchase Price"). The highest bidder (herein "Purchaser") shall immediately thereafter execute and deliver to Seller the Purchaser's Agreement attached to these Conditions of Sale and shall pay down the sum of Thirty Thousand (\$30,000.00) Dollars as a down payment toward the Purchase Price as security for the performance of the terms and conditions of these Conditions of Sale and Purchaser's Agreement. Purchaser acknowledges that the down payment shall be paid to the Seller and shall not be held in escrow. Checks for the down payment will be deposited the next business day. Post-dated or undated checks shall be conclusively deemed to be dated on the date of this sale. The Purchaser further acknowledges that the Premises is not being sold subject to the ability of the Purchaser to obtain any financing for the purchase thereof.

4. **REBIDDING**: If the auctioneer believes that any reasonable disputes arise among bidders, the Premises may immediately be put up for renewal bidding by the auctioneer.

5. **TITLE**: The balance of the purchase money shall be paid at settlement, as hereinafter set forth, upon which payment Seller shall convey to Purchaser, by special warranty deed prepared at Purchaser's expense, good and marketable fee simple title to the Premises insurable without exception at regular rates by a title insurance company of Buyer's choice licensed to do business in the Commonwealth of Pennsylvania, free and clear of liens and encumbrances except as noted in these conditions, but subject to existing wall rights, easements, building or use restrictions, zoning or land subdivision regulations, encroachments of cornices, trim, and spouting over property boundaries, or encroachments of any kind within the legal width of public highways, and subject to all easements, encumbrances, or encroachments which would be apparent upon reasonable physical inspection of the Premises. Seller makes no representations as to the validity, existence, or condition of any vehicle title for any mobile or modular home situate on the Premises. Buyer shall bear the sole responsibility of conveying any mobile or modular home title at settlement, and/or the cancellation of same. This Paragraph 5 only sets forth the quality of title to be conveyed by Seller to Purchaser. Nothing herein shall be construed as obligating Seller to provide any title search, or title insurance, at Seller's expense. The costs of any title search and title insurance desired by Purchaser shall be the sole responsibility of Purchaser, as set forth in Paragraph 7 hereof.

If Seller is unable to convey title of the quality set forth above on or before the Settlement Date, (as hereinafter defined) Seller may have the option to extend the Settlement Date, as Seller and Purchaser may agree to in writing (the "Title Extension Period"), during which period Seller may seek to cure such title

matters. If Seller declines to extend the Settlement Date or is unable to cure the title matters during any Title Extension Period, Purchaser may elect either to (1) take such title as Seller can give or (2) terminate this Agreement. If Purchaser elects to terminate this Agreement as provided above, Seller will return to Purchaser all payments made to Seller on account of the Purchase Price and reimburse Purchaser for all costs for searching title, appraisals, inspections, and preparation of the deed, mortgage, and other settlement papers. 6. **SETTLEMENT**: Settlement shall be held at the Law Offices of Glick, Goodley, Deibler & Fanning, LLP, 131 West Main Street, New Holland, Pennsylvania 17557, or at such other place as Purchaser may elect in Lancaster County on July 15, 2025 (herein "Settlement Date"), or before if Purchaser and Seller mutually agree, which time shall be of the essence of this Agreement. Possession of the Premises shall be given to Purchaser at settlement. Formal tender of deed and purchase money are waived.

On or before the tenth (10th) day following the Public Sale Date, Purchaser shall engage the services of an attorney and/or title company to prepare all documents to be executed at Settlement and to conduct Settlement.

7. **COSTS**: The costs related to this public sale, and the settlement on the Premises, shall be paid as follows:

- (iv) The cost of any title search at regular rates, title insurance, certification of title, examination of title, and title company or settlement services.
- (v) Preparation of other documents, including, but not limited to, deed, mortgage, and bill of sale for personal property, if any, and all fees incurred at settlement, including attorney fees, tax certification fees, disbursement fees, recording fees, or settlement fees, whether purported to be billed against Purchaser or Seller, unless expressly contracted for in writing by Seller.

(b) Seller shall provide or pay for:

- (i) Acknowledgements to deed.
- (ii) Water and sewer rent, if any, through the earlier of the Settlement Date, or the date of prior delivery of possession to Purchaser.

(c) Real estate taxes upon the Premises shall be apportioned on a fiscal basis to the earlier of the Settlement Date, or the date of prior delivery of possession to Purchaser. However, if the Premises is subject to any preferential assessment via the Pennsylvania Clean and Green Act or otherwise and Purchaser does not continue such preferential assessment program at settlement or thereafter, Purchaser will be solely responsible for any roll-back taxes, interest, penalties, or other charges that accrue because of such discontinuance, regardless of the reason for the same.

8. **REJECTION OF BIDS:** Seller reserves the right to reject any and all bids. Seller reserves the right to withdraw the Premises from sale, and/or to adjourn the sale to a future date or dates.

9. **EMINENT DOMAIN AND EASEMENTS:** Seller represents that there are no pending and unsettled eminent domain proceedings, no appropriations by the filing of the State Highway plans in the Recorder's Office, and orders that have not been complied with from any governmental authority to do work or correct conditions affecting the Premises of which Seller has knowledge; that no part of the Premises, except any part within utility reserve strips in developments or within legal limits of highways, is, or at settlement will be, subject to any easement for underground electric or telephone cable or sewer, gas, or water pipe serving other than this Premises, any petroleum products pipeline or public storm sewer, or any other easement, except such easements as may appear of record, such easements as may be disclosed by a reasonable inspection of the Premises, or which are noted in these Conditions. Any proceeding for condemnation or by eminent domain instituted against the Premises after the date hereof shall in no way affect Purchaser's obligation to purchase the Premises; provided that Purchaser shall receive credit for any proceeds, consideration, damages, or sums paid by any condemning authority as a result of such action if the same is paid prior to settlement. In the event that any such proceeds, consideration, damages, or sums are paid after the Settlement Date, Purchaser shall be entitled to receive the same. Seller shall be under no obligation to defend against or appear in any such action, provided that Seller provides Purchaser with notice of the institution of such action no later than 15 days after Sellers' receipt of notice thereof, and, in such event, Seller shall cooperate in Purchaser's defense of or appearance in such action, at Purchaser's expense.

10. **CONDITION OF PREMISES AND FIXTURES:** At settlement, the Premises and all its appurtenances and fixtures shall be in substantially the same condition as at present, except for the following: ordinary reasonable wear and tear; damages of any kind for which full or partial recovery may be had under Seller's or Purchaser's insurance; damages of any kind occurring after possession of the Premises has been given to Purchaser; damages arising from any condition of the Premises existing on the Public Sale Date; and/or, damages of any kind arising from any taking of the Premises by eminent domain.

Seller's Disclosure Statement attached hereto notwithstanding, by execution of Purchaser's Agreement, Purchaser acknowledges that he has had a full and complete opportunity to inspect the Premises. ***The Premises is being sold unto Purchaser "AS IS", with no representation, guarantee or warranty regarding the condition of the Premises or any improvement or structure erected on the Premises, including, but not limited to, its structural integrity, roof, appliances, electrical system, heating system, plumbing, water system, sewage disposal system, or any portion thereof.*** The Lead-Based Paint Disclosure attached hereto notwithstanding, no representation is made or warranty given regarding the presence or absence of any hazardous or toxic

substances, materials or wastes, or that the Premises is in compliance with any federal, state or local environmental laws or regulations.

In the event any repair or improvement to or any inspection or testing of the Premises is desired by Purchaser or by any lender proposing to provide Purchaser with financing for the purchase of the Premises, the costs of any such repair, improvement, inspection, or testing shall be payable solely by Purchaser. Seller reserves the right to refuse to permit any such repair, improvement, inspection, or testing or to impose such conditions upon any permitted repair, improvement, inspection, or testing as Seller deems appropriate, including, but not limited to, insurance coverage and indemnification and hold harmless agreements. Purchaser's Agreement shall not be conditioned upon any such repair, improvement, inspection, or testing, or upon any specific results obtained from such inspection or testing.

11. **REAL ESTATE SELLER DISCLOSURE ACT:** Purchaser acknowledges that the Real Estate Seller Disclosure Act, Act No. 84 of 1996 (68 P.S. §7301, et seq.) (herein "Seller Disclosure Act"), requires Seller of certain real estate to provide certain disclosures regarding the real estate offered for sale, on a form required by Seller Disclosure Act. Purchaser further acknowledges that Seller Disclosure Act provides for damages in the event such disclosures are not made.

Attached hereto is a Seller's Disclosure Statement. Purchaser, by the execution of Purchasers' Agreement attached to these Conditions of Sale, acknowledges that he has a full and complete opportunity to review the Disclosure Statement attached hereto, and acknowledges receipt thereof. Purchaser hereby waives any further compliance with Seller Disclosure Act by Seller. Purchaser hereby releases, remises and quitclaims unto Seller any and all claims, actions or causes of action under Seller Disclosure Act. Seller has not conducted or had conducted any inspection or examination of the Premises, or any fixtures or equipment included with the Premises, prior to the date of this sale. The Disclosure Statement shall not constitute a guaranty or warranty of the condition of the Premises, or any fixtures or equipment included with the Premises. The Disclosure Statement shall not amend or supersede the provisions of Paragraph 10 of these Conditions of Sale.

Purchaser further acknowledges that neither the attorney for Seller, nor the auctioneer, has made any specific representations regarding the condition of the Premises, and that Purchaser has not relied upon any representations or statements of the attorney for Seller or auctioneer. Purchaser releases the attorney for Seller and the auctioneer from any claims, actions or causes of action arising from or due to any defect in the Premises existing on the date of this sale.

12. **LEAD BASE PAINT DISCLOSURE & WAIVER OF RISK ASSESSMENT:** This notice is provided pursuant to the requirements of regulations promulgated by the United States Environmental Protection Agency (herein "EPA"), 24 C.F.R. Part 35, and 40 C.F.R. Part 745. The Disclosure required by such regulations is attached hereto and made a part hereof. By the execution of Purchasers' Agreement attached to these Conditions of Sale, Purchaser acknowledges that he has reviewed the information as set forth in the Disclosure attached hereto, and certifies that, to the best of his knowledge, the information provided therein is true and accurate. Purchaser also waives rights under the aforesaid statute to be provided with a pamphlet required by the cited regulations about the dangers of lead poisoning. ***The attached Disclosure contains a waiver of risk assessment. As a result of the waiver of risk assessment as set forth in the attached Disclosure, Purchaser acknowledges that the Premises is to be sold "AS IS", and shall not be subject to or contingent upon any such assessment or inspection for the presence of lead-based paint or lead-based paint hazards.***

13. **RADON DISCLOSURE:** Radon is a radioactive gas produced naturally in the ground by the normal decay of uranium and radium. Uranium and radium are widely distributed in trace amounts in the earth's

crust. Descendants of Radon gas are called Radon daughters, or Radon progeny. Several Radon daughters emit alpha radiation, which has high energy but short range. Studies indicate the result of extended exposure to high levels of Radon gas/Radon daughters is an increased risk of lung cancer. Radon gas originates in soil and rocks. It diffuses, as does any gas, and flows along the path of least resistance to the surface of the ground, and then to the atmosphere. Being a gas, Radon can also move into any air space, such as basements, crawl spaces and permeate throughout the home. If a house has a Radon problem, it can usually be cured by increased ventilation and/or preventing Radon entry. The Environmental Protection Agency advises corrective action if the annual average exposure to Radon daughters exceeds 0.02 working levels. Further information can be secured from the Department of Environmental Resources Radon Project Office, Call 1-800-23RADON or (215) 369-3590. Purchaser acknowledges that Purchaser has the right to have the buildings inspected to determine if Radon gas and/or daughters are present. Purchaser waives this right and agrees to accept the Premises AS IS, with no certification from Seller. Purchaser releases, quit claims, and forever discharges Seller, their heirs and assigns, from any and all claims, losses, or demands, including personal injuries, and all of the consequences thereof, whether now known or not, which may arise from the presence of Radon in any building on the Premises. Seller has no knowledge concerning the presence or absence of Radon.

14. **ZONING**: The parties acknowledge that no representation whatsoever is made concerning zoning of the Premises, or the uses of the Premises that may be permitted under local ordinances, and that Purchaser has satisfied himself that the zoning of the Premises is satisfactory for his contemplated use thereof. SELLERS PROPERTY DISCLOSURE STATEMENT

116 Center Avenue, Terre Hill

A seller must disclose to a buyer all known material defects about property being sold that are not readily observable. This disclosure statement is designed to assist the seller in complying with disclosure requirements and to assist the buyer in evaluating the property being considered.

This statement discloses the seller's knowledge of the condition of the property as of the date signed by the seller and is not a substitute for any inspections or warranties that the buyer may wish to obtain. This statement is not a warranty of any kind by the seller or a warranty or representation by any listing real estate broker, any selling real estate broker or their agents. The buyer is encouraged to address concerns about the conditions of the property that may not be included in this statement. This statement does not relieve the seller of the obligation to disclose a material defect that may not be addressed on this form.

A material defect is a problem with the property or any portion of it that would have a significant adverse impact on the value of the residential real property or that involves an unreasonable risk to people on the land. The fact that a structural element, system or subsystem is near, at or beyond the end of its normal useful life is not by itself a material defect.

RE: Public Sale of 116 Center Avenue, Terre Hill

Dear Mr. and Mrs. Reiff:

Thank you for choosing our firm to represent you at your public sale. We look forward to working with you.

The purpose of this letter is to confirm our firm's representation of you, explain the type of work we expect to do for you, and explain how you will be charged.

We will work with you and Beiler-Campbell Auction Services to prepare the Conditions of Sale for your public sale. The Conditions of Sale is the agreement that provides the terms under which your property will be sold. Assuming a bidder gives an acceptable bid at the sale, you and the successful bidder will sign the Conditions of Sale at the end of the sale, and this will become the agreement under which you will transfer the property. Included is a draft of the Conditions of Sale contract.

Enclosed is a copy of Seller's Property Disclosure Statement that Pennsylvania law requires you to complete. **Please complete this form in its entirety and return it to our office as soon as possible.** Although you are not required to do any investigations, it is important you answer every question to the best of your knowledge. Please do not leave any questions blank or mark them "N/A" unless this is indicated as an option. The Lead-Based Acknowledgment is the last page of the Disclosure, and you must answer sections (a) and (b), sign and return. The completed Disclosure will become part of the Conditions of Sale that we prepare, and the auctioneer will make the Disclosure available to interested parties. If you have any questions while completing the Disclosure, please feel free to contact us.

We will attend your public sale to answer questions that you or potential bidders may have, summarize the Conditions of Sale to the auction crowd, and ensure that the Conditions of Sale are properly executed after the high bidder is announced. Our representation in this matter is then concluded.

Our fee for these services is \$500. Enclosed is an invoice to be paid on or before the day of the sale. If our representation of you requires additional services that you ask us to perform, we will keep track of our time and bill at our standard hourly rate of \$300/hour. We will let you know if such additional work is required.

Although most of the terms in the Conditions of Sale are tailored to your specific property, your Conditions of Sale will necessarily provide that you will give clear title to Purchaser at settlement. This requires that you are able to satisfy any outstanding bank mortgages, private mortgages, or other encumbrances at settlement. ***It is especially important that you contact our office immediately if a foreclosure action has been filed against the property or if you have initiated bankruptcy proceedings.*** If you are unsure whether you can give clear title, it is important that you let us know immediately. If necessary, we can conduct a title search on your property and let you know what is necessary to clear your title. The cost of a title search is typically \$150-\$200, and we would bill hourly for our work in reviewing the documents.

A legal description of your property is attached to the Conditions of Sale. Please review the description and let us know if you have any reason to believe it is not correct. Specifically, if you have added any land to or divided any land from your property since you purchased it, please let us know.

When preparing the Conditions, unless you tell us otherwise, we will state that you have fire insurance/coverage on the property, and that you will keep this coverage on the property through settlement.

Unless we state otherwise at the sale, your property must be vacant on the settlement date. Therefore, if your property is currently leased, you must properly terminate the lease prior to settlement. If you have any questions regarding this, please let us know.

Do not hesitate to contact us if you have any questions regarding our fees or this letter. We look forward to working with you.

Very truly yours,

Glick, Goodley, Deibler & Fanning, LLP
